

■ Day Trading Cheat Sheet (Bible Card)

1. Golden Rules

- Risk max 1–2% per trade
- Always set Stop-Loss & Take-Profit
- Aim for 2:1 Reward-to-Risk
- Trade with plan, not emotions

2. Before Entering a Trade

- Identify trend (up, down, sideways)
- Find support & resistance
- Confirm with volume / indicator
- Decide: Entry | Stop-Loss | Target
- Ask: 'Is this worth the risk?'

3. Technical Basics

- Support & Resistance → Key zones
- Trend Lines / Moving Averages → Trade with trend
- Candles → Watch for reversals & breakouts
- Volume → Confirms strong moves

4. Timeframes

- Higher (1H, 4H, 1D) = Direction
- Lower (1m–15m) = Entry/Exit

5. Mindset

- No FOMO (fear of missing out)
- No revenge trading
- Losses = tuition, not failure
- Patience > clicks

6. Must-Do

- Journal every trade
- Review weekly → learn patterns
- Focus on process, not just profit

Remember: Protect capital first. Consistency beats luck. Trade like a business, not a gamble.
